Hello Ying. I wish to express our deepest gratitude for the generosity of the North Houston Chinese Association. The donation that was made will be vital in our increased efforts to serve the homeless during this time of crisis. We could not do what we do without the kindness of people like you.

Thank you and blessings to you.

Hello Luke,

That just a little that we can do to the community, we are all trying to make the best out of the situation. Hope this can be a little help.

God bless.

Ying
